**Resolution Authorizing an Expenditure in Excess of \$10,000 for Repairs to the Long Lake Dam – Drain Commissioner**

**WHEREAS,** the Long Lake Dam is located in Livingston County; and

**WHEREAS,** there is a legally established lake level for Long and Maxfield Lakes and the dam is operated in accordance with the Inland Lakes and Dam Safety provisions (Parts 307 and 315) of the Natural Resources and Environmental Protection Act, P.A. 451 of 1994, as amended (NREPA); and

**WHEREAS,** the Livingston County Drain Commissioner has been delegated the responsibility for operation and maintenance of the Long Lake Dam on behalf of Livingston County; and

**WHEREAS,** previous engineering inspection reports have noted recommendations for repair on the Long Lake Dam.

**WHEREAS,** additional inspections from Livingston County Drain Commissioner staff have noted that a repair is necessary; and

**WHEREAS,** the Drain Commissioner has obtained an engineer’s cost estimate regarding repairs of the Long Lake dam; and

**WHEREAS,** the delegated authority has the ability to expend up to Ten Thousand (\$10,000.00) Dollars in any one year for the maintenance and repair of a lake level project under Part 307; and

**WHEREAS,** it is estimated that expenditures of over Ten Thousand (\$10,000.00) are necessary for the proposed repairs of the Long Lake dam; and

**WHEREAS,** the established special assessment district is responsible for expenditures related to the Long Lake Dam; and

**THEREFORE, BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes the Livingston County Drain Commissioner to exceed the annual maintenance limit of \$10,000, to perform the recommended repairs of the Long Lake dam.
