LIVINGSTON COUNTY

DATE: January 27, 2025

Resolution Authorizing the Purchase of Four Ambulance Remounts – Emergency Medical Services

WHEREAS, The EMS department has an ongoing need to replace our transport vehicles to maintain a safe, functional, and efficient fleet; and

WHEREAS, The EMS department had planned to remount 4 of its existing ambulances in FY 2025 to keep pace with our replacement plan; and

WHEREAS, Ambulances remounts are still the most cost effective option for us to achieve our replacement goals. For FY 2025 an ambulance remount is significantly less expensive than the purchase of a new unit as detailed in my memo; and

WHEREAS, The production schedules for both new and remount ambulances are still very tight. We are fortunate that we have been planning 2-3 years in advance to remain in a position to adequately maintain our fleet. The approved vendor has a production schedule that will allow us to complete all 4 of these remounts in FY 2025; and

WHEREAS, The EMS department has \$1,200,000 in the approved F210 2025 Operating Budget to transfer to F410 EMS Capital Replacement for ambulance purchases; and

WHEREAS, The cost of these ambulance remounts under our approved contract is \$247,656 each (\$990,624 for all 4).

THEREFORE BE IT RESOLVED that the Livingston County Board of Commissioners hereby authorizes the purchase of four ambulance remounts from Emergency Vehicles Plus at a cost of \$990,624.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners authorizes the Treasurer to transfer \$1.2 million from Fund 210 EMS Operating Budget to Fund 410 EMS Capital Budget to cover these purchases and future EMS capital purchases.

BE IT FURTHER RESOLVED that the Chairman of the Livingston County Board of Commissioners is authorized to sign all forms, assurances, contracts/agreements, renewals and future amendments for monetary and contract language adjustments related to the above upon review and/or preparation of Civil Counsel.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners authorize any necessary budget amendments to effectuate the above.
