Re: Resolution Authorizing the land lease for the construction of two ambulance bases

---

This is the final piece of the EMS base expansion.

My hope is that the previous resolution was approved for the construction of the proposed EMS substations. If so, this resolution gets us \$0 access to the land from the townships for the EMS base use. The leases are 99 years and renewable in 5-year increments thereafter.

The agreement was drafted by our legal and has been reviewed by both Putnam and Cohoctah townships legal and are pending board approval.

If you have any questions or comments, I always welcome them.
