## Resolution Authorizing the addition of 5 Irregular Part Time positions – Emergency Medical Services

**WHEREAS** the EMS department continues to struggle to meet the increasing demand for EMS service in the community; and

**WHEREAS,** the EMS department has improved its current staffing level over the past 24 months, and we have done well at maintaining that level. Unfortunately, we struggle with backfilling time off requests and sick calls; and

**WHEREAS,** the most cost-effective way for us to meet the back fill needs of the department is the use of PT employees referred to as irregular part-time. We have qualified applicants ready to onboard, however we lack the authorized FTE to hire them; and

**WHEREAS,** the increased use of irregular part time employees will reduce the cost of overtime and mandatory work to the department and add no additional budgetary expense.

**THEREFORE BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes the Addition of five (5) Irregular Part Time employees at 0.12 FTE each to the EMS department.
