

RESOLUTION

NO: 2025-06-081

LIVINGSTON COUNTY

DATE: June 23, 2025

Resolution Authorizing a Replacement Vehicle Lease for the Sheriff Jail Division – Car Pool

WHEREAS, the Livingston County Car Pool Department is requesting authorization to replace one (1) additional vehicle in the Sheriff Jail Division’s fleet with a new lease from Enterprise Fleet Management; and

WHEREAS, the Jail’s approved 2025 Auto Leasing budget included one new vehicle lease to replace an aging prisoner transport vehicle, and the department requested a 2025 Ford Explorer which was ordered last fall and delivered in April 2025; and

WHEREAS, however, there was a misunderstanding about the configuration required to equip the vehicle for prisoner transport use, and upon inspection the County’s contracted equipment installation vendor determined that the Explorer will not accommodate a prisoner partition; and

WHEREAS, the vehicle can be returned to Enterprise for resale, but the County would likely incur a loss since the vehicle is now considered “used”; and

WHEREAS, the recommended solution is to retain the Explorer to replace a Jail administrative vehicle, a County-owned 2019 Durango with 70,000 miles and no payments remaining, which is scheduled for replacement in 2026 but currently meets replacement criteria; and

WHEREAS, an additional vehicle will be leased to replace the prisoner transport, which will be a 2025 Dodge Durango Pursuit that is available immediately at a discounted cost and is appropriate for the application; and

WHEREAS, the Durango will be on a 60-month lease term with an estimated lease payment of \$859 per month; and

WHEREAS, the additional lease will increase the Jail’s 2025 Auto Leasing expense by an estimated \$5,154 for 6 months of lease payments, and therefore a budget amendment to increase the budget by that amount will be necessary.

THEREFORE, BE IT RESOLVED that the Livingston County Board of Commissioners hereby authorizes the Car Pool department to lease one (1) 2025 Dodge Durango Pursuit from Enterprise Fleet Management for a term of 60 months with estimated lease payments of \$859 per month.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners authorizes a budget amendment in the amount of \$5,154 to effectuate the above with funds from GF Contingency.

BE IT FURTHER RESOLVED that the Car Pool Department is hereby authorized to dispose of the decommissioned County-owned vehicles being replaced per the County Purchasing/Disposal Policy.
